Any overweight / Outsize pieces should be placed in to the booth on the early hours of first build up day before the adjoining stands are built. A detailed stand plan showing the exact positioning of each machine or heavy piece of equipment should be provided to us well in advance. This will enable us to position such items before the stand fitting is erected.

NOTES

ADNEC show site yard is not a covered site, therefore all freight and empties moving in and out of the halls or stored on site during the show are exposed to climatic conditions, we shall not be responsible for any damage due to the same.

The Exhibition Venue yard is an unsecured storage area, Agility shall not be held responsible for any loss or damage incurred due to forces beyond our control. It is the responsibility of the agent / exhibitor to provide suitable packaging/covers to ensure the safe transit of their products for the duration of any freight movements.

Empty Cases returned to stand at the time of break down which are left unattended will be at the exhibitors/forwarders own risk. We will not be responsible for the boxes / exhibits going missing from the booth during the interim period.

The outbound return instructions and the collection of the freight from the exhibitor's stand is the responsibility of the respective agent / forwarder.

Empty case storage is not available at the show site therefore extra charges would be applicable for moving the empties offsite and will be subject to additional handling and transportation charges.

After the exhibition, collection of the shipments from the marshalling yard within the time limit provided during the breakdown will be the responsibility of the agent / exhibitor. Any unclaimed cargo collected from the booth / yard and moved to our warehouse upon completion of the tenancy period will be subject to additional transportation, handling and storage charges.
