# Local Experts. Global Network.

Agility Fairs & Events is a specialised logistics company with 400 employees at 50 locations in 34 countries.

Agility has dedicated, regional partners that plug into our global network and offer customers localised expertise with worldwide reach. Our teams and comprehensive portfolio of services work in sync with each other to provide competitive advantage.

Agility have the resource and network in place to offer exhibitors, show/event organisers and contractors a true door-to-door shipping service from any country to delivered stand. We have access to all modes of transport and work with our customers to establish the most cost effective and efficient mode of transport to fit their very specific requirements.

Our Fairs and Events services are internationally acknowledged to be among the best in the industry having won 5 IELA (International Exhibition Logistics Association) awards and numerous local awards across our worldwide offices in the past few years. To our clients, we are a personal, professional and highly dedicated team of individuals, with the backing of a true global logistics giant - Agility Logistics.

We are dedicated to providing truly committed logistics services to the needs of the events industry.

Our wealth of experience is drawn from servicing well known fairs and events in industries such as financial services, defence and aerospace, oil & gas, textiles, fashion, rail, automotive, IT, printing, medical and food & drinks.

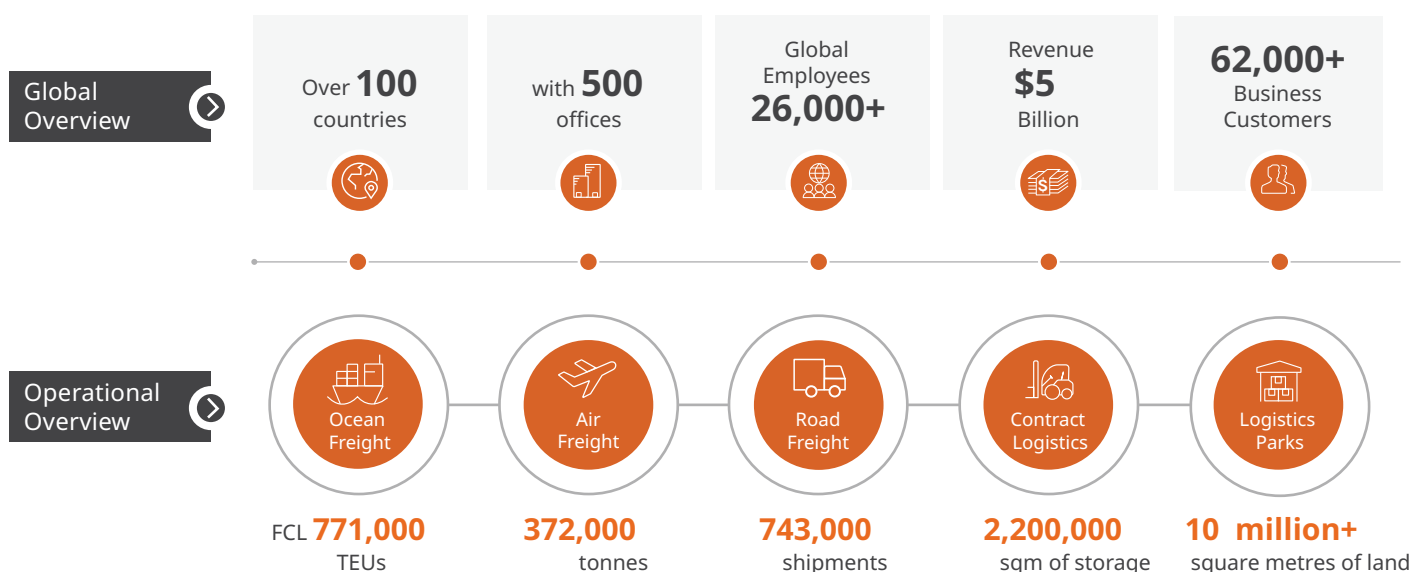

## Agility Lines of Business

Agility's two lines of business open new markets and facilitate trade:

- Agility Global Integrated Logistics (GIL)
- Agility Infrastructure

Agility Global Integrated Logistics (GIL) works with companies to move, manage and distribute the goods that underpin global commerce. Agility GIL offers air, ocean and road freight forwarding, warehousing, distribution, and specialized services in project logistics, fairs and events, and chemicals. Agility's solutions are powered by industry-leading technology.
