The storage service can be provided only for exhibits and it is strictly related to the build-up and break down periods. Long-term warehousing can be provided only upon specific agreement.

If for our convenience a higher capacity forklift/crane is used to perform a service instead of the necessary one the tariff applied will remain unchanged as by original request.

For temporary import or re-export it's necessary to have a cash deposit or a bank guarantee equal to the amount of duties to be paid.

The empty storage service is only intended for empty packing materials. Agility F& E UK will not be responsible for the damage or loss of any material and/or goods left inside.

All services must be paid before the end of the exhibition by credit card, cheque or cash unless otherwise you have credit with Agility F& E UK. The invoice for the services will be sent to the email address used for the confirmation of booking.

Above rates do not apply to shipments of live animals, dangerous goods, perishable, valuables or any other kind of special cargo.

In case of cancellation of a pre-booked forklift service with a pre-alert of less than 5 hours, 1 hour service will be charged. The above tariffs apply only during official set up and dismantle dates; for any service requested outside these official periods a minimum of two hours will be charged.

All third party costs such as terminal handling charges, bill of lading fees, as well as demurrage, detention, stuffing or inspection charges, issuing of various certificates (CITES, Phytosanitary, Sanitary, Fumigation) will be billed as per outlay plus a disbursement fee of 1% on advanced fund (minimum charge EUR 125,00)

**Further services not included in the present Handling and Logistic Tariff will have to be agreed in advance.**
