TEMPORARY ADMISSION

To enable temporary admission of goods for exhibitions, each exhibitor must secure a bank letter of guarantee for the amount of customs duty and VAT in favour of “The Egyptian Customs”. The bank letter of guarantee must be issued at a Certified Bank based in Egypt. The amount of the bank letter of guarantee is assessed by the Egyptian Customs Authority according to the accepted CIF value. The acceptance of the CIF value of goods is subject to the sole discretion of the Egyptian Customs Authority as per their defined value estimation. If CIF value presented by the exhibitor is not accepted, then the Egyptian Customs will raise the CIF value of which the duty and VAT will be based on. The bank letter of guarantee should be valid for 6 months from date of the Show start. Such guarantee will be fully refunded after re-export of shipment out of Egypt. Refund of bank guarantee would take approx. 8-10 weeks after complete re-export of goods out of Egypt. Agility Egypt can assist to secure such a bank letter of guarantee on behalf of the exhibitors against a certain surcharge. Kindly contact Agility for discussing the cost on a case by case basis.

RE-EXPORT TIMEFRAME

Goods take approx. 10 - 14 days for re-export.

All business is transacted only in accordance with our General Trading Conditions. A copy of these conditions are available via this [LINK](#)

WOODEN BOXES, CASES, PALLETS (FUMIGATION)

All wooden packages must be fumigated and stamped with IPTC logo indicating Country where the fumigation has been made. Failure to do so will cause delay of Customs clearance process, in addition to an extra cost of \$ 300.00.

STORAGE OF GOODS AT THE VENUE (EIEC)

The current applicable process for all the exhibitions at EIEC, Egypt International Exhibition Centre is that all the inbound goods are to be compulsory transferred from the port/airport of entry to the venue directly. Once the goods arrive at the venue will be subject to customs inspection which takes one day after arrival at the venue. Then the goods must be stored in the customs warehouse till the start of the show. In addition, forklifts/cranes must be used for the in / out warehouse handling. The same process and cost are also applicable for the outbound goods after the show.
